

The Pupil Voice

Summer 2019

Hello and welcome to our Pupil Voice magazine!

The children of BJS have all contributed to create a magazine by the pupils, for the pupils! Inside you will find quizzes, amazing facts, and some of our favourite memories from the year.

We hope you will enjoy reading it!

Thank you for electing us as your House of Lords this year- we've had a fantastic time and have been proud to represent our school.

We would like to wish you all an amazing summer holiday and the very best of luck for next year.

Happy holidays!

 5. Lego
 6. Tic tac

Characters:
 1. Sleeping Beauty
 2. Thanos
 3. Woody and Buzz Lightyear
 4. Chloe
 7. Tommy Hilfiger
 8. Hyundai

Trips!

Isle of Wight...

From Monday 17th June - Friday 21st June, 36 of the Year 6 pupils were lucky enough to visit the Little Canada PGL in Ryde, Isle of Wight. Lots of other schools were also

visiting the site at the same time as us. Jodie was our group leader, who showed us around the site and took us to breakfast, lunch and dinner. We stayed in Woodlands House at the top of the park. Our jam-packed, action-filled days began at 7:00 in the morning and ended at 9:30 at night. With a shoreline less than 10 minutes from the site, we were able to participate in sea kayaking. This was great fun, especially when people fell in! Other activities we took part in included: Challenge Course, Abseiling, Aeroball, Sensory Trail and many, many more. We were also offered the chance to spend our money at the PGL shop. We joined in with evening activities like Wacky races, Human Cluedo, Campfire and on the last night, the Disco. We had a great time and everyone really enjoyed it!

Castleton

From the 25th-27th March, some of Year 5 took a trip to Castleton! When we arrived, we

dropped off our bags and ate our lunch, before starting the first activity. We used a map to navigate the site we were staying at and find clues to solve the puzzles! After about 30 minutes, it was time to move groups. Next for us was Bow and Arrow. At 4 o'clock we got to see our rooms. There were two areas: East and West. Eventually, we were told which area and room number we were in. We had an hour until dinner to freshen up, get used to our rooms and the people in our area. We had dinner and then our group did gem panning. On day 2, we did an 8 mile walk. On the way back to the hostel, we stopped at the sweet shop. In the evening, we played outside and made a Pug in a Mug. On the last day, we made learned how to make a fire, cook pancakes over a fire and made dens. Overall, the trip was amazing! We really recommend that you go!

Trips!

Big Bang Science!

Year 3 were very excited to go the Big Bang Science Fair at the NEC in Birmingham!

We watched a show all about the human body and how it worked. Some of us took part in a challenge; we built a bridge out of wood which could hold a teddy bear! We were really pleased when it worked! There was also a tractor display, which we found really interesting. Some of the wheels were bigger than us!

Finally, we made slime using glue, food colouring, glitter and a special solution to hold it all together. We were even allowed to take it home with us! What a brilliant day.

The Sealife Centre

On Thursday 2nd May, some of the Year 4 children had an amazing overnight stay at the Sealife Centre!

When we arrived, the first thing we did was go to see the penguins. We even got a chance to feed them! They ate different types of fish.

After that, we visited the shark tank, which had different breeds of shark in, and also some stingrays.

One of my favourite parts was the laboratory behind the scenes, where we saw baby jellyfish, and also dead lobsters and crabs!!

Before going to bed, we ate our snacks and then chose a place to sleep.

When we lay down, we could see the creatures swimming above our heads. It was amazing! My favourite was a huge stingray which swam right over us. We were too excited to sleep!

In the morning, we had our breakfast and then visited the gift shop before heading back to school. It was a fantastic trip!
